2016

WHERE

EMS Advisory Council

DoubleTree Hotel

4431 PGA Blvd.

Palm Beach Gardens, FL 33410

PURPOSE

The purpose of this program is to orient new and current EMS leaders to relevant EMS topics and issues. This is not your standard leadership course. This program is designed to provide 30-minute high level overview sessions of common EMS topics and issues.

This program will provide the attendee with a basic awareness level of knowledge and the ability to find additional information on each topic or issue.

NEW AND CURRENT EMS LEADERS

INTEGRATED TRAINING

The course is designed to be integrated with the EMS Advisory Council. This will provide the attendee with the ability to see how the concepts taught are integrated directly into the Florida EMS System.

INSTRUCTORS

All course instructors have many years of EMS leadership experience in their topic areas.

CLASS SIZE

Registration is limited to the first 30 that register. Attendees must attend all sessions.
